

**Geologist – Casual
Competition # MG0003****Closing Date:
Sunday, May 9, 2021**

Marathon Gold Corporation (“Marathon” or the “Company”) is engaged in the exploration and development of the Valentine Gold Project (the “Project”) located in the central region of Newfoundland and Labrador. The Project is currently undergoing an environmental assessment with a view to construction commencing in early 2022 and first gold production in 2023. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province of Newfoundland and Labrador. Marathon is a public corporation (TSX:MOZ) headquartered in Toronto, Ontario with a regional office located in Grand Falls-Windsor, NL.

Additional corporate and project information is available at www.marathon-gold.com

Marathon Gold is currently inviting applications for Five (5) Geologists to join our growing exploration team as the company transitions to mine construction and ultimately mine operations.

Job Description

Reporting to the Exploration/ Project Manager, the Geologist will provide labor and technical support for the ongoing Exploration program.

This is a contract position based at the Project site, working on a 16/12-day rotation.

Accountabilities

- Follow departmental safety program ensuring health, safety, and environment.
- Support and participate in exploration activities.

- Technical support and consultation with senior geological staff.
- Geological interpretation.
- Core logging, section generation, maintaining accurate drill hole trajectory.
- Drill line-ups and shutdowns.
- Sample collection, QA/QC of samples.
- Data management.
- Field Mapping.
- Field Inspections including pre-setup, drill, post setup.
- Other duties as required by the Project Geologist.

Education

- Bachelor's Degree in Geology or Earth Sciences or formal training as a Geological Technician is recommended.

Experience

- 3-5 years' experience as a Geologist.
- Experience in a remote construction or operational setting and on shift/rotations is considered an asset.
- Experience in a Mining or similar industrial setting is considered an asset.

Skills and Knowledge

- Strong ability to work cooperatively within a team environment.
- Self-motivation and ability to complete work with minimal supervision.
- Strong organizational and interpersonal skills are required.
- Team-oriented but individually driven to produce results.
- Competent with Microsoft Office and data-management software.
- Knowledge and experience specific to mineral exploration and the mining industry.

- Proficient in the use of specialized software and techniques relating to the mineral exploration industry (ie: collection and processing of geotechnical data).
- Mechanical aptitude in maintaining field equipment is an asset.
- A valid driver's license and drivers abstract.

Marathon is committed to local hiring preferences and all applications will be considered on this basis. Marathon is an equal opportunity employer and is committed to the employment of a qualified workforce which reflects the area in which it operates. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees. Marathon reserves the right to hire only those candidates who are appropriately qualified for the position advertised.

Marathon will review all applications; however, we will only contact those candidates who best fit the requirements.

Interested applicants are encouraged to submit their application via email to at: careers@marathon-gold.com, referencing competition # MG0003.

Deadline to apply: Sunday, May 9, 2021
