

**Blaster
Competition # MG0058****Closing Date:
Sunday, August 7, 2022**

Marathon Gold Corporation (“Marathon” or the “Company”) is engaged in the exploration and development of the Valentine Gold Project (the “Project”) located in the central region of Newfoundland and Labrador. The Project is currently undergoing an environmental assessment and expects to make a construction decision in 2022. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province.

Marathon is a public corporation (TSX:MOZ) headquartered in Toronto, Ontario with a regional office located in Grand Falls-Windsor, NL. Additional corporate and Project information is available at www.marathon-gold.com

Marathon is currently inviting applications for a Blaster to join our growing team as the company transitions to mine construction and ultimately mine operations.

Job Description

The Blaster is a team member of the mine department and is responsible to assist with the blasting of rock and ore in a safe manner to achieve daily production targets. This role must ensure work is performed in accordance with health, safety, environmental and legislative requirements.

This position is located at the project site, working on a 2 week in / 2 week out rotation.

Accountabilities/Responsibilities:

- Be a courageous health, safety, and environment advocate, adhere to and promote health, safety and environmental standards, policies, and procedures.
- Assist Drillers where necessary.
- Mentor, coach, and train apprentices.
- Communicate effectively and professionally with other team members.
- Actively participate in orientation and training programs.
- Follow all safety procedures while operating equipment.
- Adhere to all company policies.

- Report any concerns to the supervisor.
- Perform work on a rotational basis (i.e., day and night shifts).
- Meet loading and blasting targets.
- Conduct daily inspections of the work area.
- Work with Mine Engineer and Mine Supervisors in developing blast plans.
- Complete Blast Reports.
- Prime and load bulk emulsion product safely as per the blast plan.
- Stem holes as required.
- Maintain accurate magazine inventories.
- Communicate and coordinate with Explosive supplier, the delivery of explosive products to site.
- Actively participate in orientation and training programs.
- Perform other duties as assigned.

Education/Experience:

- Class II or Class III (Newfoundland & Labrador) blasters license or equivalent
- Valid TDG & WHIMIS training is required
- Must hold a valid Class 5 driver license and a driver's abstract.
- Specific experience working with DigiShot is a strong asset.
- Minimum 5 years' experience blasting in a quarry and or open pit mining environment.
- Experience working in a remote industrial environment is preferred.

Skills and Knowledge:

- Knowledge of health, safety, and environmental requirements at remote sites.
- Excellent coordination and driving skills.
- Strong knowledge of the OHS, mining, and construction regulations.
- Strong attention to detail, accuracy, and safety.
- Experience with radio communication and protocols.

- Excellent communication (oral/written) skills required.
- Strong team building skills.
- Attention to detail — being careful about detail and thorough in completing tasks.
- A valid driver's license and driver's abstract required.

Marathon Gold requires all employees to be fully vaccinated for COVID-19 as per Health Canada guidelines.

Marathon is an equal opportunity employer committed to local hiring preferences and all applications will be considered on this basis. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees.

Marathon reserves the right to hire only those candidates who are appropriately qualified for the position advertised. Marathon will review all applications; however, we will only contact those candidates who best fit the requirements.

Interested applicants are encouraged to submit their application via email to careers@marathon-gold.com referencing competition # MG0058.

Deadline to apply: Sunday, August 7, 2022
