

**Manager – Financial Reporting
Competition # MG0059****Closing Date:
Sunday, August 7, 2022**

Marathon Gold Corporation (“Marathon” or the “Company”) is engaged in the exploration and development of the Valentine Gold Project (the “Project”) located in the central region of Newfoundland and Labrador. The Project is currently undergoing an environmental assessment and expects to make a construction decision in 2022. Once in production, it will be the largest gold mine in Atlantic Canada and a major employer in the province.

Marathon is a public corporation (TSX:MOZ) headquartered in Toronto, Ontario with a regional office located in Grand Falls-Windsor, NL. Additional corporate and Project information is available at www.marathon-gold.com

Marathon is currently inviting applications for a Manager – Financial Reporting to join our growing team as the company transitions to mine construction and ultimately mine operations.

Job Description

Reporting to the Vice President, Finance and Controller, the Manager – Financial Reporting is responsible for managing and maintaining the processes related to corporate accounting, consolidation and financial reporting, including financial statements and the companies MD&A, as well as financial risk management and the development of accounting policies and internal control policies and procedures. The ideal candidate is knowledgeable in IFRS, and the Canadian regulatory environment, including the development of control environments, to meet those regulatory environments.

This position will work Monday to Friday located at the Marathon Gold’s Corporate Office located in Toronto.

Accountabilities/Responsibilities:

- External Reporting
 - Plan and direct the preparation of the consolidated financial statements in accordance with IFRS.
 - Ensure compliance with the reporting standards and procedures mandated by the regulators.
 - Assist in the compilation and preparation of the
- MD&A ensuring completeness, accuracy and quality of the disclosures.
- Assist with the preparation and finalization of the company’s other continuous disclosure documents such as press release, AIF, sustainability report, and circular.
- Internal Controls
 - Assist with the development, implementation and maintenance of financial reporting systems in such a manner to ensure that they effectively meet the needs across the company. This primarily involves the coordination and inter-relationship of financial systems across the Company’s various sites and the method in which this data is centrally compiled in the corporate financial system.
 - Responsible for accuracy of accounting records that are used for financial statement preparation.
 - Ensure all necessary internal controls are in place for the purposes of maintaining data integrity and complying with the regulatory requirements.
- Budgeting & Forecasting
 - Assist with annual budgeting and quarterly forecasts and the development and implementation of financial reports and statements to provide senior management with information concerning operating and financial results for each segment of the company.
 - Compare financial performance with budget, plans, and standards.
 - Report, analyze, and interpret the company’s consolidated financial results.
 - Report any significant trends and variations and prepare a written analysis of variances.
- Complex Accounting
 - Responsible for the development of accounting policies and process standards, as well as accounting interpretation of complex accounting issues.
 - Responsible for overseeing the payroll and accounts payable functions related to the corporate office.
 - Assist with quarterly board materials, provide assistance with M&A activities and support work with due diligence requirements.
 - Perform other related duties as assigned.

Education/Experience:

- An undergraduate degree in Business or Accounting.
- Minimum 5 years' experience in a similar role.
- Experience in the mining industry or a similar resource based, or capital-intensive industry is preferred.
- CPA designation is required
- Experience working in a capital project environment and a strong understanding of project controls is an asset.
- Continuing education in the areas of financial reporting, personnel management, project management is an on-going requirement.

Skills and Knowledge:

- Strong, technical proficiency with International Accounting Standards (IFRS).
- Strong written and verbal communication skills while interacting with all levels of management.
- Strong leadership, managerial, and interpersonal skills, and the ability to promote teamwork within the finance team.
- Proven analytical skills that can quickly assess and resolve complex accounting and operational issues.
- Demonstrated knowledge of and experience in process mapping, policy, and process development, as well as change management.

- Advanced knowledge of consolidation and reporting tools, such as Workiva and SAP.
- Advanced knowledge of Microsoft Excel, PowerPoint, and Word.
- A valid driver's license and drivers abstract required.

Marathon Gold requires all employees to be fully vaccinated for COVID-19 as per Health Canada guidelines.

Marathon is an equal opportunity employer committed to local hiring preferences and all applications will be considered on this basis. We value equity and diversity and are committed to creating an inclusive workplace environment for all employees.

Marathon reserves the right to hire only those candidates who are appropriately qualified for the position advertised. Marathon will review all applications; however, we will only contact those candidates who best fit the requirements.
